

# JESUS REEXAMINED:

A CHRONOLOGICAL BIBLE READING PLAN

Welcome to *Jesus Reexamined*, an 11-week journey designed to breathe new life into your relationship with Jesus.

In a world filled with noise, distractions, and distortions, it's easy to lose sight of the real Jesus — His message, His heart, and His call on our lives.

This reading plan is not just about learning the facts of Jesus' life but about rediscovering His teachings in ways that bring genuine life, healing, and hope.

# WHY A CHRONOLOGICAL APPROACH?

Reading the Gospels chronologically helps us experience Jesus' life as it unfolded, providing deeper insight into His mission, His interactions, and the significance of His teachings.

Rather than isolating stories or passages, this plan invites you to see the bigger picture of Jesus' ministry and how each moment connects to His ultimate purpose of redemption.

Witness the progression of His message.  
See the building tension with religious leaders.  
Experience the culmination of His sacrificial love.

# HOW THE PLAN WORKS:

## **Weekly Themes:**

Each week, you'll follow a guided set of readings that align with key events or teachings in Jesus' life. These themes are carefully chosen to help you focus on specific aspects of His ministry.

## **Reflection and Prayer:**

After each reading, take time to reflect on what Jesus is teaching you. Pray for the Spirit to reveal new insights and apply His message to your life.

## **Sermon Integration:**

Each week's readings will tie into the Sunday sermon from the Jesus Reexamined series. This will help deepen your understanding and allow you to connect personally with the message shared from the pulpit.

## **Community Support:**

Discuss your insights, questions, and experiences with your small group, friends, or family. Accountability and shared reflection can bring greater depth and encouragement.
